

TSIA2 Testing and Preparation Plan

2026–2027 School Year

At Rockport-Fulton High School, we are committed to preparing students for success in college, career, military, and postsecondary pathways. One important component of college readiness in the state of Texas is the Texas Success Initiative Assessment 2.0 (TSIA2).

The TSIA2 is a college readiness assessment used by Texas colleges and universities to determine whether students are prepared for college-level coursework in English Language Arts and Reading (ELAR) and Mathematics. TSIA2 scores are often required for:

- Dual Credit enrollment
- College admissions and placement
- Advanced Placement and postsecondary opportunities
- Demonstrating College, Career, and Military Readiness (CCMR)

The assessment measures a student's readiness for college-level academic work and helps identify areas where additional support may be beneficial before entering college coursework.

Students and families are encouraged to review information and preparation resources available at:

[TSIA2 Testing Resources \(Accuplacer\)](#)

[TSIA2 Testing Info](#)

Note for students currently receiving testing accommodations through 504 or Special Education:

All students who take TSIA2 will receive built-in calculators, breaks and pauses, font size adjustments, and untimed testing. Students who receive text-to-speech (or oral administration) would need a testing environment that provides testing accommodations. This is provided at [Del Mar College](#), and information is provided at this link.

TSIA2 Testing Plan

Fall Testing Cycle

September 2026

- All English 3, English 4, Algebra 2, Pre-Calculus, and Financial Math students will receive TSIA2 preparation activities in their classes, including the TSIA2 pre-assessment provided by Accuplacer.
- **September 22, 2026** - All English 3 and 4 students will take the English TSIA2 test during the school day.

October 2026

- **October 8, 2026** - All Algebra 2, Pre-Calculus, and Financial Math students will take the Math TSIA2 test during the school day.
-

TSIA2 Testing Plan

Spring Testing Cycle

January 2027

- All English 3, English 4 who have not yet passed TSIA2, and all Geometry students will receive TSIA2 preparation activities in their classes. Pre-assessments will be administered as needed.
- *Counselors will make phone calls to parents by alpha whose students have requested dual credit and/or AP courses, informing them that students must take and pass the TSIA2 to be eligible for the class. They will also provide a checklist for dual-credit courses that includes key deadlines.*

February 2027

- **February 8, 2027** - All Geometry and any Financial Math, Precalculus, and Alg 2 students who have not yet passed will take the Math TSIA2 test during the school day.
- **February 16, 2027** - Any English 3 and 4 students who have not yet passed will take the English TSIA2 test during the school day.

March 2027

Students planning to enroll in:

- Dual Credit courses,
- Advanced Placement courses, and/or
- Other postsecondary opportunities requiring TSIA2 scores will have one school-day testing opportunity on **March 1, 2027**. Independent preparation activities for these exams be provided through Accuplacer and other school-endorsed preparation materials. It is the student's responsibility to prepare for these tests to be eligible for the requested college-level courses.

In addition, students will have two Saturday testing opportunities available on the RFHS campus.

- March 20, 2027 (By Sign-up)
- April 10, 2027 (By Sign-up)

Students may also independently schedule TSIA2 testing at:

- [Del Mar College](#)
- [Texas A&M University–Corpus Christi](#)

April 2027

- Once English II students have completed their STAAR End of Course exam, will receive TSIA2 preparation activities in their classes

May 2027

- May 4, 2027, All English II students will take the English TSIA2 test on a school day.
-

Student Preparation Requirements

All students participating in TSIA2 testing will:

- Complete campus-provided preparation activities
- [Complete the required TSIA2 Pre-Assessment Activity \(PAA\) prior to testing](#)
 - Click on Take PAA midway down the page.

Preparation is essential to student success and helps students better understand the assessment's structure and expectations. While this plan outlines designated courses for preparation, all other preparation will be the student's responsibility.

Testing Availability and Communication

The testing dates listed in this plan will be the only TSIA2 testing opportunities available on the RFHS campus during the school year.

Upon completion of each administration, families will receive a notification via Parent Square with instructions for accessing official TSIA2 score reports.

Students and parents are encouraged to communicate with counselors, CCMR staff, and campus administration regarding questions about testing, dual credit eligibility, college readiness, and score interpretation.

TSIA2 Exemptions

You may not need to take the TSIA2 test if you meet the following exemptions.

- SAT Math 530+ and SAT EBRW 480+
- ACT Math 22+ AND English + Reading 40+ combined
- SAT Math 530+ and ACT English + Reading 40+ combined
- ACT Math 22+ and SAT EBRW 480+
