

Dear Bridge Families,

We know that many people in our community are concerned about the news regarding the loss of SNAP benefits. There was a federal court order this afternoon that seems to have restored the funding for November benefits. However, we are learning there still could be disruptions in how and when these critical resources are getting distributed to our community.

We are actively monitoring this situation and working on other ways that we can help our families in this time of need. Bridge is proud of our long-standing commitment to meet the needs of our families and to remove as many barriers as possible that impact learning.

For now, we want to share two key ways that you can access assistance:

- Project Bread's FoodSource Hotline: projectbread.org/foodsource-hotline
- BBCS's own Family Support Form: bridgebostoncs.org/student-support

We have also shared a list below of food pantries that are available throughout the City of Boston.

We also want to assure you that we will continue to serve breakfast, snack and lunch to all Bridge students each day, as we always have.

In Partnership,

The Bridge Boston Team
