Communication and Autism Spectrum Disorder

<https://vimeo.com/514398225>

Conversations About Autism

<https://www.youtube.com/playlist?list=PLjvfRtcMhn4PB0NTW0RlvsMJGu1Csnn5s>

A series of 60-minute live-streamed sessions created for providers and caregivers of children with autism who wish to better understand the autism spectrum disorder. In these sessions, experts and advocates from our region share their knowledge and perspectives on autism as well as helpful tips for supporting a child, adolescent or young adult with autism.

Navigating the To-Do List After Your Child's Autism Diagnosis

<https://depts.washington.edu/uwautism/wp-content/uploads/2022/06/Webinar-Flyer-Generic.pdf>

4-week classes offered throughout the year for parents of newly diagnosed toddlers. Contact ontime@uw.edu for the next session.

Project ImPACT

<https://www.project-impact.org/>

Project ImPACT is a coaching program for parents of young children with autism and related social communication delays. Project ImPACT teaches parents strategies they can use to help their child develop social, communication, imitation, and play skills during daily routines and activities. Project ImPACT is supported by research and based on developmental science and applied behavioral analysis (ABA) principles.

Many classes have a fee, around \$675

TASK

<https://taskca.org/>

TASK helps families navigate special education, disability services and assistive technology. They have extensive [webinar recordings](#) and monthly training. They are based in California, so some benefits may not apply.

UC Davis Mind Institute ADEPT Autism Distance Education Parent Training

<https://health.ucdavis.edu/mindinstitute/centers/cedd/adept.html>

Free. 10-lesson interactive, self-paced, online learning module providing parents with tools and training to more effectively teach their child with autism and other related neurodevelopmental disabilities functional skills using applied behavior analysis (ABA) techniques. Classes are also available in Spanish and Vietnamese.

Communication Access Resources (AAC/Nonverbal)
