FOR IMMEDIATE RELEASE

Tess Diaz Named Conference Keynote Speaker Moderator for the London Domain Summit 2023

London, UK - The London Domain Summit 2023 has announced that Tess Diaz will be serving as the Conference Keynote Speaker Moderator for the upcoming event. The summit is scheduled to take place on August 22nd and 23rd, 2023 at the London Hilton Metropole.

As an experienced domain name industry professional, Tess brings a wealth of expertise and knowledge to the role of Keynote Speaker Moderator. With her exceptional communication and interpersonal skills, she will effectively introduce keynote speakers, manage the timing of keynote speeches, and facilitate productive and engaging Q&A or discussion sessions with the speaker and the audience.

Tess's extensive experience and deep understanding of the industry/profession make her the perfect fit for this role. As Keynote Speaker Moderator, she will ensure that the keynote speeches are delivered effectively, the audience understands the speaker's message, and the Q&A sessions are productive and engaging.

"We are thrilled to have Tess as our Keynote Speaker Moderator for London Domain Summit," said the organizer Helmuts Meskonis. "With her energy, expertise, and dynamic presence, we are confident that Tess will help us create an unforgettable event that will leave attendees feeling inspired and informed."

This year's London Domain Summit is expected to be a highly anticipated B2B event, drawing professionals and experts from across the domain name industry. Attendees can look forward to a diverse range of keynote speeches, panels, and networking opportunities.

The London Domain Summit 2023 is expected to draw a large and diverse audience from around the world and will feature keynote speeches from industry experts, panel discussions, and networking opportunities.
