

# PROJECT BLUE HOPE

## General Team Recruitment

2026-2027 Package

## What is the General Team?

As a General Team member, you'll work alongside our executive team to help turn our ideas into action. You'll gain hands-on experience by contributing to projects, events, campaigns, and other initiatives while taking on a lighter weekly workload. In addition to helping with fundraisers, the General Team will be responsible for running Project Blue Hope's educational post series. Joining our General Team is a great opportunity to build valuable skills, gain experience, and make a meaningful impact without the time commitment of an executive position.

Applications for our General Team close on **October 10, 2026 at 11:59 PM.**
