October 14, 2025 2-3pm ET	FARMWISE Networking Call, Part II - Kitchen Table Discussions Continued We will host small table discussions for this networking call. These will work best if we have 4 members from each team attending. The leads for the discussions will be as follows for October: District of Columbia, Arkansas, Rhode Island, Wisconsin, and Missouri.
November 3, 2025 2-3pm ET	Webinar Panel: States and Regions Connecting Farms to ECEs Across the country, states are finding creative ways to connect local farmers with early care and education (ECE) programs and educators. From coalition-led strategies to hands-on coaching, ultimately these approaches ensure young children have access to fresh, local foods while strengthening market opportunities for farmers. Panelists Include: Emily Campbell, MPH, CHES, Alabama Healthy Kids, Healthy Future Coordinator, Alabama Partnership for Children; Edy Dingus, Programs Coordinator: Farm to Early Childcare Specialist, Mississippi Farm to School Network; Marguerite Green, Statewide Director, Louisiana Food Policy Council; Sarah Meyer, Farm to School Network Specialist at the Nebraska Department of Education; and moderated by ASPHN's FARMWISE Consultant Team, Rey Cooley and Emia Oppenheim.

The Association of State Public Health Nutritionist's FARMWISE is supported by the United States Department of Agriculture (USDA) FY 2024 Farm to School Technical Assistance Cooperative Agreement (USDA-FNS-F2S-CTECH-24-AZ1). This project has been funded at least in part with Federal funds from the U.S. Department of Agriculture. The contents of this listing do not necessarily reflect the view or policies of the U.S. Department of Agriculture, nor does mention of trade names, commercial products, or organizations imply endorsement by the U.S. Government.
