COMPLIMENTARY SCREENING EYE EXAMS

for English Springer Spaniels at the ESSFTA National 2026

★ **CONTINUING** *Progressive Retinal Atrophy (PRA)* & ★ **NEW** *Retinal Dysplasia (RD)* Research Study

DATES: Wednesday, October 14
– Friday, October 16

TIME: 8:00 AM–6:00 PM
Ask about outside these hours

PLACE: National Show Site
Directions to be posted

WHAT'S INCLUDED

- ✓ Comprehensive eye examination
- ✓ Retinal photography
- ✓ Electroretinography (ERG)
- ✓ Blood sample for research

PRIORITY APPOINTMENTS

- **Dogs diagnosed with PRA (DNA or clinical test) or RD:**
New or repeat cases, with or without vision issues
- **Close relatives of an affected dog:**
Littermates, parents, full siblings, or offspring
- **Any English Springer Spaniel with vision or eye concerns**

Why participate? PRA and RD are inherited retinal disorders that are known to affect English Springer Spaniels. Your dog's examination and samples can help clarify disease risk and support future generations of Springers.

How can I book? Sign up on the following pages!

Help advance the next phase of PRA research!
Help launch new research on RD!

OFA examinations may be available at a standard fee if space permits, after research-priority appointments are scheduled.
