Fr. John and Greg – As Their World Turns...The Saga Continues!

1

Fr. John: Greg, I am confused...So NO Bulldozer and NO Statue?!? Wait...Where did all the heavy equipment go? What is going on here Greg?!?

2

Greg: Fr. John, I am trying to keep people safe, and we need to stay on budget. You driving the Bulldozer, is not safe, and building a statue of you does not keep us on budget!

3

Fr. John: Look guys, any way to get Greg to budge on the whole Bulldozer thing? **I am hosting a Spaghetti Dinner on May 11th...** If you help me, you are all invited!

4

Greg: We have got to get Fr. John under control. I think I need to get the **Principal** involved...

5

Greg: Gary, You have got to help me out with Fr. John. I am trying to keep this project on time and on budget. He keeps meddling in things...

6

Dr. Beckley: I will see what I can do...Fr. John is a reasonable person...I am sure he will understand...

7

Fr. John: Gary, someone needs to have a talk with Greg...He is not letting me have any fun with regards to this project. Can you help?

8

Dr. Beckley: I will see what I can do...Greg's a reasonable person...I am sure he will understand.

9

Just another Day as Principal...Living the Dream and solving problems...Fr. John and Greg know I need to look at both sides to this situation...I am sure they will see the other person's perspective...

10

Thank goodness Gary is on **MY** side. Greg doesn't know who he is messing with...
