

# Parkstone Periodical

May 2024

## **WELCOME NEW TREES**

Last week saw the addition of seven new trees to the Parkstone common areas:

- **Four emerald-green arborvitae trees** are on the fence between 1129 Parkstone Dr. (Dan and Sheryl Hornok) and 1219 Parkstone Dr. (Lori Laver).
- **One flowering crab apple tree** will soon be planted between the Hornock and Laver residences.
- **One red point maple tree** was added to the east side of the main north common area.
- **One Kwanzan cherry tree** is now in the middle of the west parking/common area.

## **PARKSTONE GARDEN PARTY**

On Saturday morning, May 11, a dedicated group of residents assisted in the beautification of the east and west common area gardens through cleanup efforts and the addition of plants. Special recognition is extended to Vaughn Gardner, Linda and DeLoy Norton, Denice Johansen, Vivian Gubler, Lori Laver, Pat Smith, Barbara Osborne, Charlene Pineda, and John and Cecilia Linsmeier for their contributions. Sheryl Hornok will also add some flowers from her garden to the east common gardens.

## **UPDATING OUR FENCES**

For nearly 25 years, our Parkstone fences have been in place. Naturally, over time, technology, materials, and design standards evolve. To address this, the Architecture Committee, in collaboration with the Board of Trustees, is examining new industry standards for fencing in our community.

## **GATE PAINTING**

Parkstone will also be repainting our front gate soon to keep that essential part of our community in working order.

## **PARKSTONE DINNER GROUP**

Our next Parkstone Dinner Group is scheduled for Wednesday, May 29, at 5:45 PM, at the Olive Garden restaurant at the Shops at South Towne (10540 South State). If you are able to make this event, please RSVP to Vivian Gubler (text/call) (801) 599-9488.
