

*Rainmaker *GLORY* Challenge*

You didn't complete the challenge, you failed to become what you said you would be, now, you must ask yourself why.

The Rainmaker title in the copywriting campus is one of the most prestigious, exclusive titles you can acquire, the status that comes with it, the confidence you gain when you hold that title, it's glorious.

You can be part of this elite group, but you must TRY your BEST, day in and day out.

Will you be left in the dust of your brothers and sisters as we scale the mountain together, while you wallow in your feelings and fear? Or will you join the ranks of the most respected students in the campus?

The choice is yours.

Fill this out daily, tag Cole and myself in the #Agoge-Competitions chat.

Desired Outcome for the Day:

Improve landing page a little bit

Planned Tasks to Achieve it:

- Improve at least some stuff based on reviews.
- Spend some time with my gf

End of the Day Reflection:

- Today I spent some time with my gf. I also improved landing page a little bit. I am afraid that my ads won't work, so I will use this fear in order to inspire more action. I will do market research again Only for specific Age group, and after that I will improve my google ads.

The Man/Woman You Are Now vs Who You Want to Be (Keep this the same daily, reminding yourself of who it is you are trying to become) :

- Now:

I am a man that's lacking.

I often allow distractions to take my focus, even if they are good distractions like family, friends or girlfriend.

I am not a man of my word anymore. I say but I don't do.

I am weak and poor, so I live like a feather in the wind. Waiting for others to make decisions without being able to do anything with it.

I still have matrix programming inside me, which causes major problems in my client projects.

I am not able to deliver results, because of my laziness and cowardness.

I am not asking as much questions as I would like to

I often put away my tasks for like 10-15 minutes saying "just 5 minutes more"

- Who You Want to Be:

I want to be a guy that actually delivers. What I say is what I do.

I want to be able to protect my family from coming WW3

I want to be so strong and capable that I can take care of everyone around me.

I want to be able to protect my girl and my mama, from being raped, enslaved and killed if WW3 happens

I want to have power in the decisions. I want other people to like me and listen to me.

I want to be a guy that everybody likes to be around, always chasing after him and his aura

Your Reason *Why* (make this as compelling as possible, keep this the same and pound it into your skull, so you wake up daily with a clear reason) :

- Because I can't allow my mother, girlfriend and any other human I know be hurt if anything happens. I need to have so much money, that no matter the obstacle I will be able to pay for it. I am the only guy in my bloodline that can do this. There is nobody else that will save my family, friends, and everybody if shit comes. I need to do this for myself, my future kids, my future wife and everybody around me.
