

**JP Drier 'Find A Way' Memorial Scholarship**  
*2 scholarships for \$1000 each*

This scholarship will be awarded to 2 members of the senior class of Whitman-Hanson Regional High School who have been able to 'Find A Way' through a challenge that they have faced in life. The recipients must attend a two- or four-year college in the fall semester following graduation.

JP was a proud member of the WH class of 2018. As a Panther, JP was a member of the National Honor Society, DECA club, JV baseball team, and co-captain of the golf team. His drive for academic success continued to grow at Xavier University with a major in finance and a minor in political economics. While at Xavier, JP served as Treasurer of the Xavier club golf team and was a member of both the Smith Scholars and University Scholar programs. JP was a devoted Xavier Musketeer basketball fan. One of his Xavier friends shared this tribute and wanted to spread it into the world: "JP coined the phrase 'Find A Way' during the 2023 basketball season during Xavier's run to the sweet 16, in which we attended every game together. JP always found a way to bring a smile to people's faces." Post graduation, JP thrived working as a financial advisor at UBS in Charlotte, NC. He passed away unexpectedly in July 2023 due to complications from Type 1 Diabetes.

May JP's kindness and compassion for all inspire us to **'Find A Way'**.

\*\* Please attach a brief essay describing how you were able to "Find A Way"
