"Check the class stream"

Important announcements for you and your families can be found in the STREAM in Google Classroom.

"Check the classwork tab"

You can get to your assignments by going to the "classwork" tab. Click "View your work" to see when assignments are due, what you completed, and any grades your teachers have submitted.

"Open a new tab"

Click the + when you need to go to a new website *and* keep other websites open.

"Refresh the page"

If your computer freezes, try reloading the page before restarting the laptop.

"Click 'Mark as Done'"

When you complete work in another tab, like a Google Form, click "Mark as Done" so your teacher knows you are done.

"Please submit your work"

If you have a document assigned to you through Google Classroom, click "Turn In" so your teacher can see your work.

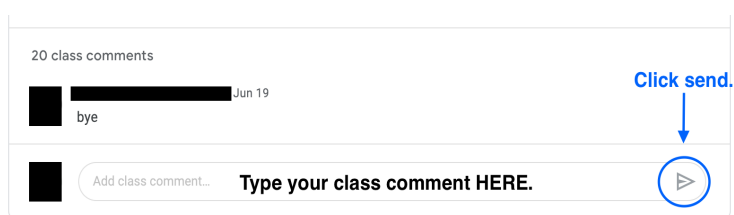

"Add a private comment"

If you have a question or comment about your work, leave a private comment.

"Add a class comment"

If you are having a discussion with other students, leave a class comment.

Introduction: The Value of Money and Coins Part 1

- ❑ Watch [this video](#) from Khan academy reviewing the different values of coins and how to add coins together.
- ❑ Read through the [U.S. Coins Review Article on Khan Academy](#) after watching the video to go over the value of different coins and the language we use to describe the monetary and numerical value of each of the coins.

"Submit the Google Form"

When you are using Google Forms, remember to hit "Submit" or it won't save or submit all of your hard work.

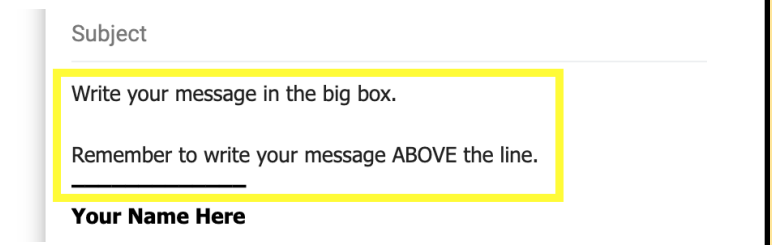

"You can send me an email!"

Click "compose" to send an email. In the "To" section, write the person's name. Don't forget a "Subject" (the topic), too.

"Write me a message"

Remember to write it in the big box, rather than the subject line. Write the message above your email signature.

"Join our class Google Meet"

Click the "Join now" button to come into the meeting. You can turn your camera and microphone on or off before joining.

"Choose your mic and video"

You can turn your microphone on and off using the mute/unmute button. You can turn your video on and off using the camera on/camera off button.

"Use emojis in Google Meet"

You can give a thumbs up or raise your hand using these emojis in Google Meet.

"Can you share your screen?"

Click "Present now" to share your screen.

"Open the Google Meet chat!"

Click the square button to open the chat and see everyone's comments.
