

Dear Participants,

Congratulations and a warm welcome to the Moje Kasheer Sistership Program 2024! As we gear up for the upcoming opening residency in Srinagar this April, we would like to extend our gratitude for your commitment and dedication. Your presence is invaluable, and we are confident that your unique entrepreneurial perspectives and energy will enrich the entire cohort.

In order to ensure that your experience is as beneficial as possible, we have planned a series of assessments throughout the program. These assessments will allow us to gather feedback, monitor your progress, and tailor the program to better meet your needs. Your active participation in these assessments is crucial, as they will not only contribute to the improvement of the program but also serve as a prerequisite for your certification.

Here are the details and timelines for the assessments:

- Assessment 1: Pre-participation (to be completed prior to arrival in Srinagar)
- Assessment 2: After the 8-day residency in Srinagar (feedback about the content learned on-campus)
- Assessment 3: Mid-way (after 7 webinars) - assessing the level of inner transformation and self-mastery achieved
- Assessment 4: Post-participation (to be completed before receiving certification)

The first assessment is now due, and we kindly ask you to allocate a minimum of 3 hours for this task. This includes 1 hour to fill out your own form and 30-45 minute appointments with each of the three people you have to interview.

You can access the first assessment form through the link provided below:

To ensure you're fully prepared for the journey ahead, we've scheduled a **mandatory online orientation session for all participants on April 7th, running from 4:00 PM to 5:00 PM.** Attendance is crucial, and we strongly urge you to join on the below link

This session will offer a comprehensive overview of the program, outline the schedule, and provide a platform to address any queries or concerns you may have. We have shared a calendar invite for the same.

Once again, congratulations on embarking on this journey with us!
Warm regards,

Team Moje Kasheer
