COMMISSION TERMS OF SERVICE:

PAYMENT:

Payment upfront—I will start the artwork once I receive the payment. I accept payment through PayPal or Ko-Fi.

SOCIAL MEDIA:

Unless the commissioned artwork is intended as a surprise for someone, I have permission to post the artwork and its WIPs whenever and wherever I want.

INTENTIONS OF THE COMMISSION:

My commissions are for non-commercial use only. I do not consent to my commissioned artwork being edited with generative AI tools, however, if you need to, for example, draw a different piercing setup on the character in my artwork as a reference for your future commissions, that is fine.

THE PROCESS OF THE COMMISSION:

I will send WIPs and updates of the artwork. The time it takes me to finish one commission is anywhere from 2 days to 2 weeks, depending on the amount of other commissions I'm working on, the complexity of the artwork etc. Due to personal matters, the commission may take longer. You are allowed to ask for edits.

ADOPTABLES:

Once you've purchased the character you can edit it as much as you like. Reselling the character is also fine as long as you credit me for the drawing and design. I can do holds,

but no longer than a week. Backing out of a hold is not appreciated – if you back out of a hold more than 2 times, I will not do holds for you anymore.

NSFW COMMISSIONS:

Artworks of sexual nature can only be commissioned from me if you're 18 or older. I do not ask for proof such as ID or passport, as my account is 18+. However, if I find out that a minor commissioned NSFW art from me, I will blacklist and block them.

EXTRA CHARGE:

I will charge extra for a rush fee and complex structures such as vehicles or detailed props and mechanic outfits.

I WILL DRAW:

- Humanoid characters
- Anthropomorphic characters
- Feral characters
- SFW & NSFW
- Gore

I WONT DRAW:

- Anything I'm not comfortable with.
-

BY COMMISSIONING ME, YOU'VE AGREED TO MY TERMS OF SERVICE.

BY VIOLATING MY TERMS OF SERVICE, YOU WILL GET BLACKLISTED FROM FUTURE COMMISSIONS.
