- I want to feel like equals - I want to give and receive feedback
- **I want my confidentiality to be respected**
- **I want to be treated with generosity**

How do you want to feel in this workshop?

- Free to take care of my needs - go to bathroom, grab drink, eat lunch, be comfortable.
- This should feel different than a school class! This is a fun creative space - this can be adapted to work for all of us.

What would make this experience fun for you?

- **Not expect perfection - this is a safe space to make mistakes!**
- Imperfection is a form of Revolution!
- Keeping it light and friendly - be able to laugh at yourself!!
- LEVITY

What would make sharing your work feel safe and comfortable for you?

- I get to choose when I want feedback and when I don't.
- **Withhold prejudgments or previous ideas of people - being open to each other as WHOLE individuals - we are SO complex and have so many different facets.**
- **Permission to write CRAPPY first drafts!**
- Level of confidentiality - Mentors respect expectations - clear communication
- Safety and security and confidentiality - We will not share anything with parents.
- **Honesty - respect me enough to tell me the truth about my work**
- Asking questions is a great way to start hard conversations with people
- Constructive feedback - actionable feedback - how to improve -

What are our goals as a group?

- Growth and Learning
