Abstract

The abstract and keywords are in Times New Roman size 11, and single space. The abstract should concisely describe the content and scope of your paper and identify introduction, objective(s), methods, and results/findings, and conclusions. It should be about 150 words (minimum) to 250 words (maximum), followed by three to five keywords related to your manuscript.

Keywords: *Separate with a semicolon; present in alphabetical order*
