Target Age: 3-5

Kid Trax Real Rigs Toddler Recycling Truck

*Bottles and cans and cardboard. Plastic and paper and glass!
Driving down the road, carrying a load. Recycling is a blast!*

*Cruising through the town, making pickups on the way.
Helping save the planet, on recycling day!*

*Bottles and cans and cardboard. Plastic and paper and glass!
Driving down the road, carrying a load. Recycling is a blast!*

*Picking up recycling and hauling it away.
You can be a hero, on recycling day!*

Kid Trax Real Rigs Toddler Fire Truck

*It's time go and fight the fire.
Stop the flames from getting higher.
Turn on siren, step on gas.
Gotta get there really fast!*

*The fire truck is on the way!
Helping out to save the day!*

*Watch out, the fire's getting hotter.
Hose it down with lots of water.
It's going out, the fire's done.
Time to fight another one!*

*The fire truck is on the way!
Helping out to save the day!*
