

Perfectly Safe Voodoo Test Release Form

By printing out and signing this form, you give one (Zecora) access to the following:

- Your Nervous system
- Your Circulatory System
- Your Endocrine System
- At least 50% of your skin

Side effects of the test may or may not include:

- Hair loss
- Cross Eyes
- 50% of your skin turning various shades of colors
- Hair gain
- Zombification (curable after a few years)
- Death

In the extremely unlikely event that you do not survive the test, the Zebra tribes of Africolt will gain full access to all of your possessions, including **living** possessions for further experiments.

Hexxers for Happiness thanks you for your valorous assistance.
