GENERAL

Hello! I am *Mai (@maibunzy)*. This is my work list / waitlist where I update any progress of works that I've got from clients or more for my art. I will try to complete them within my capabilities. If things happened that may change the course of the work progress for any, I will inform.

Please read my [T.O.S](#) for more details.

1. Each client will be listed with their names and the request.
2. The progress will be listed as such: **Sketch**, **LineArt + Color**, **Finished**.
3. There are other labels added to specify more of the request.
4. Those who agreed for NDA will have separate updates personally. (More in discussion)

ROUGH GUIDELINE FOR PROGRESS

- Each project has an estimated timeline and delivery date and may be adjusted depending on the artist or clients' situation and circumstances.
- The illustration turnaround time may vary due to uncontrollable circumstances, though at most-standard illustrations can take from 1 week to 6 weeks. (Look at ESTIMATE TIME)

ESTIMATE TIME

Commissions are made between *1 week - 1 month (within the time frame)*. Usually it would take less time if I'm not working. However, currently I'm balancing *part time jobs* at the moment so it may take longer. I hope you have patience. Rush commission will be charged a different fee.

WAITLIST (COMING SOON : JANUARY)
