

## **Rules**

1. Follow orders given by **the Leader**.
2. Show fellow members respect regardless of rank.
3. Higher ranking members (as shown by hierarchy spreadsheet) can give orders to lower ranks if **the Leader** approves this (**Chiefs** can always give orders to respective lower ranks).
4. Join Discord Server.
5. Be serious, we are a criminal organization, not kindergarten. Unserious players will be punished severely.
6. Do not kill **ANYONE** unless **the Leader** or **General** (Or **Chiefs** if they've gotten order from **the Leader** or **General**).
7. No corny nicknames (Ex. *John "The Knife" Doe*)

**More rules will come.**
