

Independent Projects Qtr. 4, 2025

Choose something YOU want to do.
It should be something you're excited about.
It should be something you're curious about.
It should *not* be something you think you *have* to do for someone else.
This is YOUR time that YOU EARNED to be freely creative!

Options:

- Choose to complete a project on the '[Special Projects](#)' list -- **NOTE!** There are some new and exciting listings on this document!

- Choose to work with a specific material (or materials), art process, or style
- Choose an assignment (or assignments) from Lisa's bank of assignments
