Previewing Options

In order to preview different options, screen sizes, or on various devices, first log into Google Sites and click the “laptop/phone” icon

This allows you to view your site from the perspective of a Large Screen, like a computer, and a smaller screen, such as a tablet or phone.

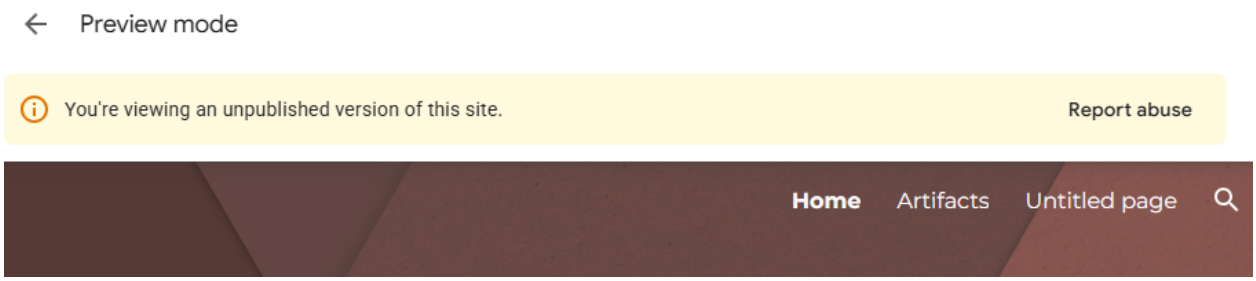

Previewing from Editor Mode

Clicking on the “Preview” Button at the top right of the screen allows for viewing the site before potentially publishing it or changing things.

Leave preview mode to go back to editing mode by clicking on the “Edit Site” Button on the left-hand side of the screen.

Old Dominion University is an equal opportunity, affirmative action institution.
