

Aerospace Series

Rockets Away!

Join us on Earth Day from your launching pads at home for the first session in our series as we discover rocket science! Learn how rockets are designed and how they lift into space. May the Force Be with You as we come together dressed up as our favorite Star Wars characters and blast off!

Who: Youth in grades 3 -8

Launching Dates: April 22 and 29 we will Zoom and learn.

On May 4th we will gather at a galaxy near you!

Time for this date will be determined

Time: 7 pm - 8 pm

Cost: Each participant will receive a kit with starter supplies for our virtual sessions. The cost per kit is \$20 (check with your local Extension Office for scholarship opportunities)

**Checks should be made to Lyon County 4-H, and mailed to
500 Fairgrounds Road, Marshall MN 56258**

*Space is limited to 50 participants - sign up soon!

Register here: [2024 Rockets Away! - Google Forms](#)

Deadline to register is April 15. For more information contact Brian McNeill, Regional Extension Educator at mcnei006@umn.edu, Sam Jens, Lyon County 4-H Extension Educator at jens0593@umn.edu, or Suzanne Souza, Big Stone County 4-H Local Extension Educator at souza004@umn.edu.
