

Broomfield City and County permitting and inspection process.

- The City and County of Broomfield require building permits as per the Broomfield Municipal Ordinance title 15 unless the work is listed under exemptions as listed in title 15-02-070(B).
- All plumbing work will need to be completed by a Colorado licensed plumbing contractor and Broomfield licensed plumbing contractor.
- All electrical work will need to be completed by a Colorado licensed electrical contractor and Broomfield licensed electrical contractor.
- Plumbing and electrical can be completed by the homeowner as long as they own and occupy the house.
- All required inspections will need to be called into the inspection scheduling system.
- The City and County of Broomfield requires that Colorado licensed electricians and plumbers supervise work and maintain crew apprentice to license ratios in accordance with the State of Colorado law. Additionally, the City and County of Broomfield reserve the right for any combination inspector to verify a plumbing or electrical license at any time, for any reason, whether it is part of a scheduled inspection or not.
