

Perci Big Buddies Contact

Hi, I'm Perci. I'm an international student from Ethiopia majoring in architecture at Alma College. I'm excited to help you work through the college application process- one of my life's most exciting and exhausting (but ultimately gratifying) times. It would be a pleasure to teach you what I have learned and learn from your experiences as well. I look forward to helping you succeed, ensuring you meet your full potential, and easing the stress of applying to college on your own.

If you'd like to talk to someone about college applications, navigating the social landscape in college, getting advice on academic programs, or just want someone to talk to about life beyond high school, I'm here for you
