MVGS FOUNDATION "Giving Thanks" Drive

Join us this November to support MVGS!

⇒ Funds from the Foundation allow us to offer our students the extra benefits of ***cutting edge technology, field experiences, and scholarship support***.

⇒ We have asked our teachers what technology, supplies, and experiences would be needed to take the MVGS experience to the next level…and the list is amazing, but long!

⇒ Your support is critical to the Foundation's success.

How can you help?

✅ Donate your time:

- Become an officer or volunteer for the MVGS Foundation.
- Chaperone field experiences.
- Share your expertise in Wednesday seminars or as a research mentor.
- Help with fundraising activities

✅ Make a Financial Donation:

- Support field experiences.
- Fund science and technology needs.
- Enhance FLEX day activities.
- Sponsor research projects.
- Build our scholarship fund.
- Contact local businesses to become partners.

- Ask your employer to match your donation to the foundation.

Help us meet our goal to raise $10,000 by November 30th, and thank you to anyone who already has donated this year!

Connection to MVGS:

- □ Parent/Guardian
- □ Relative
- □ Community Friend
- □ Base School Staff
- □ Governing Board Member
- □ Academic Advisory Board Member
