TITLE: TRUST IN YOU

Changed in title (ANSWER)

Lyrics:

Here I am stalling
Hidden in the darkness
Thinkin it was harmless
I was like a carcass
Then I heard your callin'
Your callin
Stumbled to the ground
An unpleasant sound
Then i knew
I had to follow you
No longer giving up
No longer feeling blue
Had to find the purpose and the truth
Oh striving for perfection
Instead of running your direction
My lord
The Answer
Without you
I'm a disaster

Darkness flee
To bright for thee
Spirit in me
Now I know who I'm meant to be
Now I'm spinning gracefully,
Leaping so cheerfully
Knowing if I stumble you're there protecting me
Because you care (you care my lord)
Repeats
Now I don't strive for perfection
Because you're guiding my direction

Outline: is on a piece of paper, if I don't lose it I will upload it

Ending : So glad you called me

Update: I have made a worship song! I had so much fun making it and at the same time I had a difficult time trying to figure out how I was going to sing it(if I find the old lyrics I will place it here)
