At the July 15, 2024 public meeting of ANC 3C the applicant presented and discussed the final designs of the proposed project to neighborhood stakeholders. This meeting was regularly scheduled and properly noticed to promote public awareness to community members with the goal of inviting members of the public to attend the ANC meeting and soliciting input on the applicant's project. The applicant communicated that funding for the proposed project is subject to a CAH grant award.

As such, ANC 3C is in support of the permits for the use of this public space for sidewalk cafes. The Commission authorizes the Chair and the Commissioners for 3C06 and 3C05 to represent the Commission on this matter.
