

Ms. Paige Walther

Welcome and thanks for stopping by!

Counselor (Ri - Z)

I am Paige Walther and I am the counselor for students with the last names beginning with **Ri-Z**. I attended Mississippi State University where I received my Bachelor's Degree in Educational Psychology. I decided to return home to pursue and receive my Master's in School Counseling/Clinical Mental Health Counseling and graduated in May of 2020 (during a nationwide lockdown). I am so excited to be a part of the Hahnville High School Counseling department. I look forward to working with my students and their families.

My Philosophy:

My job as a counselor is to advocate for the students and guide them in making decisions, especially as they pertain to academic, personal, and college/career goals. I am looking forward to working with everyone here at Hahnville High School in order to help each student achieve their goals!

My Work Experience:

I started in 2020 as a Addictions counselor where I stayed for over 2 years. I soon realized where my passion was which was within the high school setting. I started working as a High School Counselor at West Jefferson High School in the 2022-2023 school year.

I am available between the hours of 7:00am- 2:10pm. Please call or email to make an appointment.
