

Privacy Policy for Kuku Daktari Effective Date: April 23, 2026

Sylvia Chebwogen ("Developer") built the Kuku Daktari app as a Free application. This service is provided at no cost and is intended for use as is.

1. Zero Data Collection We do not collect, store, transmit, or share any personally identifiable information, usage data, or analytics from our users. The application operates entirely without requiring you to create an account or provide personal details.

2. Camera and Image Processing Kuku Daktari requires access to your device's camera strictly for the core functionality of scanning poultry for disease detection.

- All image processing is performed locally on your device using an on-device AI model (MobileNetV2).
- We do not record, save, or transmit any images captured by your camera to any external servers, developers, or third parties.

3. Third-Party Services and Tracking This application does not contain any third-party trackers, advertising frameworks, or external analytics software.

4. Changes to This Privacy Policy We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page.

5. Contact Us If you have any questions or suggestions about this Privacy Policy, please contact the developer at: sylvia.apps66@gmail.com
