## CASE STUDY TO REALITY

Individual Reflection for [Assessing Climate Impacts & Making Connections](#)

\*\*\*Please share this document with [RMyslivy@UUA.org](mailto:RMyslivy@UUA.org)\*\*\*

### IMPACTS

- What insights or ahas did you experience as you identified the climate impacts and who is most affected and how in this exercise?
- How could this relate to your congregation?
- What potential obstacles or questions might come up?

### POSSIBILITIES

- What insights or ahas did you experience as you identified the needs, what we can offer, who are the helpers, and where is the joy?
- How could this relate to your congregation?
- What potential obstacles or questions might come up?
