Privacy Policy for Unload Tag
Effective Date: 9/2/2025

Unload Tag ("we," "our," or "us") values the privacy and security of our users' personal information. This Privacy Policy outlines how we collect, use, and protect your data when you access and use our Virtual Reality game Unload Tag ("the Game").

We collect and process user data through data use checkup. We use that user data for our platform features, our platform features are Playfab/Photon. We also use that data for giving players in game cosmetics, currency, and multiplayer systems.

We also collect non-personal information, such as device information, usage data, and technical information about your interactions with the Game. This information is collected in an anonymous and aggregated form and does not identify individual users.

We will use your Personal Information solely for the purposes for which it was collected. This may include responding to your inquiries or providing you with updates about the Game if you have opted to receive such communications.

Non-Personal Information is primarily used to analyze trends, improve the Game's performance, and enhance your gaming experience. This information is collected on an aggregated basis and does not identify individual users.

We do not sell, trade, or rent your Personal Information to third parties. We may share non-personal information with our affiliates, service providers, and business partners for the purposes outlined in this Privacy Policy.

We take appropriate measures to protect your information from unauthorized access, alteration, or destruction. However, while we strive to protect your Personal Information, we cannot guarantee its absolute security due to the inherent risks of data transmission over the internet or electronic storage.

If you would like to delete your collected personal data from our systems, you can do so by contacting us at instance.quit@gmail.com. We will process your request and delete your data within a reasonable timeframe. Please note that certain data may be retained for legal or legitimate business purposes.

The Game may include links to third-party websites or services, each with their own privacy policies. We are not responsible for the privacy practices of these third-party sites and encourage you to review their policies before providing any information.

The Game is not intended for children under the age of 13. We do not knowingly collect Personal Information from children under 13 years of age. If we become aware that we have collected Personal Information from a child under 13 without parental consent, we will take appropriate steps to delete such information.

We may update this Privacy Policy from time to time. Any changes will be posted on this page, and the "effective date" at the top will reflect the last updated date. By continuing to use the Game after any changes are made, you accept and agree to the revised Privacy Policy.

If you have questions, concerns, or requests regarding this Privacy Policy or your personal information, please contact us at instance.quit@gmail.com.

Our app processes limited user data provided by the Meta Quest platform, including:
User ID – Used for authentication through playfab/photon and voice.
User Profile – Used for personalization and authentication through playfab/photon and voice.
User Age Group – Used to ensure age-appropriate content and comply with legal standards.

This data is used solely to enable core app functionality such as saving progress, delivering personalized content, and enforcing age restrictions. We do not sell or share this data with third parties. Data may be processed by backend services (e.g., PlayFab) only to support app features. Users can manage or delete their data via Meta account settings. For privacy-related inquiries, contact us at instance.quit@gmail.com.
