

## The G Lodge 2025 Lean-To Vendor Season Pass

### Why This Pass is a Steal

It's cheaper to **VEND** at our events than it is to attend! The **Lean-To Vendor Season Pass** is your all-access ticket to a premier vending experience at The G Lodge's events in 2025. For just \$600, secure your spot at our 4 most popular festivals while enjoying added benefits to maximize your vending success.

A typical weekend pass to any of these events costs \$100 per person. With the Vendor Season Pass, you get access for TWO people to four events—a value of \$800 just in tickets! In addition to having the opportunity to make money selling your goods & services, you'll enjoy the convenience of having a physical lean-to structure included, so there's no need to set up or take down a tent. To top it off, you'll receive a free field parking pass, making this deal unbeatable.

**Early Purchase Perks:** (Lean-to not included for these opportunities)

**Purchase before April 12th** and you'll also gain access to vend at [LOCALS ONLY](#) on April 19th and [Kentucky Derby Day](#) on May 3rd—an additional \$60 value!

**Purchase before April 26th** and you gain access to vend at Kentucky Derby Day—a \$30 value.

Join us in supporting the community we all love with our annual Spring Cleanup! This is the 5th year we've invited the community out to help build and make their mark on this beautiful piece of land and it's taken many forms and shapes over that time. Last year was the first time we chose to celebrate Derby Day as part of this fundraising and volunteer tradition and we liked the way that worked!
