# TAKE CHARGE

No one is going to rescue you from yourself - your inner demons, your lack of confidence, your dissatisfaction with yourself and your life. Only self-love and conscious decisions will rescue you. Take charge of your life. It's never too late to change direction.

## Trump Campaign Statement on President Trump's Historic Debate Victory

"Tonight President Trump delivered the greatest debate performance and victory in history to the largest voter audience in history, making clear exactly how he will improve the lives of every American. Over and over President Trump highlighted common-sense plans to reduce inflation, bringing down the costs of groceries, housing, and gas, as well as his plans to bring back his successful first-term policies that kept our southern border secure and free from the wave of Biden Migrant Crimes currently sweeping our country.

"Joe Biden on the other hand showed exactly why he deserves to be fired. Despite taking a week-long vacation at Camp David to prepare for the debate, Biden was unable to defend his disastrous record on the economy and the border. Throughout the debate Biden lied, invented stories, and could not articulate a single plan to make things less expensive and keep our people safe, choosing instead to change the subject and dwell on the past. Even worse, Biden couldn't explain why he took a week of vacation at Camp David while 50 ISIS terrorists ran loose in our country. President Trump is spot-on when he says that if Joe Biden is too incompetent to stand trial, then Biden is too incompetent to be President.

"Americans are struggling financially. The families of Laken Riley, Rachel Morin, Jocelyn Nungaray, and every other victim of Biden Migrant Crime are grieving. Our country is on fire at home and we stand on the brink of World War III because of Joe Biden's incompetence. But we can turn it all around, and bring back the American Dream, starting on day one, by reelecting President Donald J. Trump."

— Chris LaCivita and Susie Wiles

**HINT:**

ANYONE paying attention should NOTATE that CNN in ATL was REMOVED off the building LAST YEAR.

IT NO LONGER EXISTS THERE.

Therefore... YOU MUST ASK YOURSELVES THE FOLLOWING:

Where EXACTLY is this "debate" being held?

If there is indeed "no audience", then you can pretty much bet it was PRE-RECORDED.

Therefore IT IS NOT LIVE.

 **Wikileaks** just **re-dumped** all the corrupt evil actions files online. I say re-dumped because these files were leaked with this same exact emphasis some years back. Everything from Hillary Clinton's emails, McCain's being guilty, Las Vegas shooting being actually done by an FBI sniper, Steve Jobs HIV letter, PedoPodesta & the others involved with COMET PIZZA, PEDOPHILLA WONDERLAND of satanic faith practices, Afghanistan, Syria, Iran, Bilderberg, CIA agents arrested for rape, WHO pandemic plans & action steps for the mass population ..... IT'S a Pandora's box of classified documents that reveals the ELITES, deep state, dark cults' secrets.

**Clinton's emails:** <https://file.wikileaks.org/file/clinton-emails/>

**Index file!** <https://file.wikileaks.org/file/>

...These WikiLeaks emails are **irrefutable evidence proof** that can be shown to those unaware; ...friends & family. That is, of course, *IF* they remove their heads from “the proverbial **sand**” & are receptive to this information.... I have seen that there is a more **willingness** to **discover & look deeper** into these **hidden lies** more & more every day by those people that once saw this as nonsense and refused to believe.

🇷🇺 **Russia**  has officially declared **NATO** an "**enemy alliance**."

**An Enemy alliance** is An agreement between states or countries to fight together against a common enemy. Such alliances might be made either for a limited period or for all time.

**Dutch Prime Minister Mark Rutte's appointment as NATO's secretary general will not "change anything" for Russia, which still sees the alliance as an enemy, the Kremlin said.**

**"It is unlikely that this choice can change anything in the general line of NATO," Kremlin spokesman Dmitry Peskov said. "At the moment, this is an alliance that is an enemy for us."**

#### **Princess Anne in hospital with concussion after 'being kicked by horse'**

Princess Anne is in hospital after suffering minor injuries to her head and a concussion after it is believed she was kicked by a horse on her Gatcombe Park estate.

The Princess Royal, 73, an Olympic-medal-winning horsewoman, was walking on her Gloucestershire estate on Sunday evening when the incident happened.

Emergency services were despatched to the estate and, after medical care at the scene...

[https://youtu.be/O\\_YiKY68IKM?si=wylJM78WBOCVF1cS](https://youtu.be/O_YiKY68IKM?si=wylJM78WBOCVF1cS)

🎯 The ROYAL Princess Ann, 73 yrs old, an Olympic-medal winning horseman while walking on her Gatcombe Park Estate was kicked in the head by a horse & suffered minor injuries to her head & a concussion. Really!?. I don't think so. - this is NOT TRUE... IT's been stated numerous times that PRINCESS ANNE is of excellent horsemanship. GETTING KICKED IN THE HEAD IS QUITE FISHY 🐟

I think This is a **White Hat COMMS** ~ communication about the truth of the complicit Royals who have already been done away with for all their **CRIMES AGAINST HUMANITY** including their riding on horses 🐎 while hunting naked Humans at ROYALS PARTIES in the woods 🌳 of their opulent estates, in that they capture the hunted children then do whatever their sicko selves prefer to do to these precious young people; **rape, torture & murder.**

NOW This also leads us to the

“**The Four Horsemen of the Apocalypse**” who are a group of mythical riders in the Book of Revelation, the last book in the New Testament of the Bible, that speaks of an End-time. (Rev 6:1-8).

So The 4 Horsemen of the Apocalypse each ride on a colored horse - white, red, black & pale. The **red** horse symbolizes **war**, the black 🐎 horse symbolizes **famine** with the **pale** horse representing **death and disease**.

Horses are typically known to symbolize **freedom** with the rider of the white💜horse being Jesus Christ, representing the **LIGHT of Christ Consciousness**.

Christ consciousness does not relate solely to Jesus Christ, it is the **elevated state of awareness Christ achieved in realizing his OWN DIVINITY**.

Many believe the Bible is not to be taken literally - it has been written metaphorically and allegorically, to be interpreted as such.

**Allegorical means to show a moral or hidden meaning**. The Greek root for **apocalypse** means an action to uncover, reveal or disclose.

The 4 Horsemen of the Apocalypse does not mean the literal ‘end of the world’ rather **prophecy**, that when these events are increasingly occurring on Earth, the veil will begin to reveal and uncover **what’s hidden for mankind**, resulting in a **mass spiritual awakening to happen**, where mankind will then begin to remember **Who They Really Are**, their original blueprint design as well as their **innate Divine Beings SPIRITUAL Self** then begin to embody the teachings of Christ.

Embody means to take on a particular character, quality or characteristic.

It is not the actual returning of Jesus Christ, it is the **return of humankind beginning to become more Christlike**, in living & being the teachings of Jesus/YESHUA , which is **THE WAY to FREEDOM from darkness and moving into the LIGHT** shown by Jesus Christ, where humankind expands and choses to become more *heart-based ♥ and heart-centered ♥ in LOVE and UNITY on Earth.*

**The End-time is the ending of an age clouded in darkness** with dumbed down, human beings. This opens us to the realization of **our OWN DIVINITY**. It's known often as **The Second Coming of Christ or the Spiritual Awakening of Kundalini Rising**, which is **living in Christ Consciousness connection**, which is the **harmonizing** of our **Divine Masculinity & Divine Femininity** into one beautiful **Divine Creation** which occurs when when we have chosen to rise into our own highest self

*You know....* We are all called to “**Head, Heart & Soul**” Divinely assisted **leveling up assignments** if we choose to acknowledge them & do them. Now these are not easy assignments. They are challenges. The given tasks are meant to be tough, to help us grow, to be better moving into our **best & highest self**.

Here is a little video of an awesome example & emotional connection to US, **EACH DOING WHAT WE CAN**, to **MAKE an impact** during this time:

## You can do it

Actually, you can. You can follow your heart. You can alter your path. You can break the mold. You can take the leap. You can free yourself from your fears. You can refuse to settle for less than you deserve. You can live a life aligned with your purpose and passions. You can do the thing you're not sure you can do. You can take the first step. You can create your future. You can have exactly what you've been dreaming about. You are strong enough. You are brave enough. You have what it takes.
