

Orcha-Palooza 2026

Wednesday, March 11

Dear Orchestra Student and Family,

We are approximately two weeks out from our 2nd annual Orcha-Palooza! What is Orcha-Palooza? Instead of hosting our normal Winter Concerts in March, we have created one giant mega event for all of our students in grades 6-12 called Orcha-Palooza! This event will substitute our typical Winter Concerts and our 8-12 May Mixer. **Because this is a concert, your student will receive a grade for their concert attendance and participation.**

This event is **FREE** to attend and open to all people of all ages! There will be raffles, games, food and prizes! Entry to the concert is free, but if you'd like to participate in a raffle or play a game, you will have to purchase tickets and wristbands. This is our biggest fundraiser of the year. Funds from this concert will go directly back to your student in the form of music, strings, rosin, and other classroom supplies such as pencils, nail clippers and files.

Call times are different for this concert! Please see the second page for information regarding call times and performance times.

Please plan on sending your child(ren) in with 1 2-liter bottle of pop. Students will bring bottles to class starting tomorrow, and leave them under the whiteboards.

Please sign up to help volunteer and bring in prize donations! We cannot do this without your help.

If you have any questions regarding this concert, please reach out to Dr. Casey (scasey@vikingmail.org) or Ms. Bates (hbates@vikingmail.org).

Thank you!

Dr. Casey & Ms. Bates
