**Actions for revolutionaries**

1. Become a revolutionary, grow some food
2. Learn to become a farmer, join the PHA Campaign, attend agroecology workshops, join the PHA Farming Cooperative to access land in the PHA. We need young farmers!
3. Support young farmers near you or your local food gardens and urban farmers
4. Plant an indigenous tree to help protect our biodiversity
5. Start a compost pile at home. Order a CCT compost bin. Learn composting at Vegkop Farm. Support your local food garden composting
6. Become a member of the PHA Campaign and help protect the land where your food comes from. Educate your local councillor about the value of the PHA foodland.
