

Classified School Employee Summer Assistance Program 2022-2023 School Year

The Walnut Creek School District will be participating in the California State Classified School Employee Summer Assistance Program (CSEASAP) in the 2022-2023 school year. This program, administered by the California Department of Education (CDE), will apportion funds to participating school districts to provide **up to** a dollar for dollar match on amounts withheld from the employees' monthly paycheck for the 2022-2023 school year in August of 2023. The continuation of the program into following years is contingent upon an appropriation in the annual Budget Act or another statute. **The California Department of Education will notify the Walnut Creek School District the estimated matching fund amount by May 1, 2022. For example, for 2021-22 the matching amount is \$0.87 cents for each dollar an employee withholds.**
