2026-2027 Academic Year

Dear Alta Vista Supporter,

Thank you very much for your kind donation to the Alta Vista Home and School Club.

Our school, like many public schools and non-profit organizations, relies on fundraising as an additional source of income. Funds raised by Home and School Club enable our school to enrich our children's education with programs such as art, clay, Cornerstone, library, performing arts, music, and technology. Your generosity helps to ensure our children receive a well-rounded education in the type of environment every student deserves.

Thank you again,

Nick Barbara
