2026 REC Scholarship Questionnaire

During the spring of each year, the Raleigh Engineers Club (REC) awards one scholarship to a Wake County HS Senior that has been accepted into the College of Engineering at NC State University with plans to attend the fall semester of the current year. The scholarship's value is one semester of tuition at the in-state rate, plus the engineering school's Program Enhancement Fee, totaling over \$4,000.00. The winner will be determined by a committee of REC members and based on all parts of the application and other supporting information, and notified by the end of May.

A complete application consists of:

- **The REC Scholarship Questionnaire**
- **A pdf scan of your NCSU - College of Engineering Acceptance Letter**
- **A pdf scan of your most current high school transcript**
- **A Letter of Recommendation* from a faculty member familiar with you**

Send the **Questionnaire (Word or PDF)**, and **one scan (PDF)** of your **Acceptance Letter and Transcript**, together, all in **ONE EMAIL**, to the following address: GeorgeSharpeJr@gmail.com .

*The **Letter of Recommendation** should be sent as an attachment and **emailed separately** by the faculty member to the same email address used for the application.

Both emails must be sent and a complete application must arrive no later than 5:00 pm on Friday, April 17, 2026 – NO EXCEPTIONS! No confirmation of delivery will be sent; however,

you are welcome to follow up to ensure all information arrived and confirm your application is complete, [well before the deadline](#).

We look forward to receiving your application and good luck!
