New Baker Early Learning Center (BELC) Principal

Tianna Teixeira has been hired to replace Cristina Hyde as Principal of the Baker Early Learning Center (BELC).

This past year, Ms. Teixeira was a Kindergarten teacher at the BELC while she completed her Administrative Principal License. She has been a teacher for ten years after earning her initial degree in Elementary Education from Eastern Oregon University.

"We are really excited to welcome Ms. Teixeira into this new role," says Baker School District Superintendent Casey Hallgarth. "She already has wonderful relationships built with BELC staff and families, and she has some great ideas for continuing to cultivate growth and expand services for our district's youngest learners and their families."

If you weren't able to register your kindergartner for school at the BELC spring registration, please reach out to the school office starting August 3 by calling 541-524-2310.
