

Community Regional Outreach Program (CROP) FY25

Travel Guidance for FY25

Notice to Sponsored Travelers (Travelers who are funded to attend non-ICANN events):

Travel costs are provided under ICANN's [Community Travel Support Guidelines](#) as follows:

- Airfare (most economical routing in Economy Class)
- Hotel accommodation for a maximum of 4 days/3 nights
- Per diem allowance for a maximum of 4 days
- Reimbursable costs such as visa fees (actual cost or a maximum of US\$200, whichever is less)

Non-reimbursable costs include:

- Business or first class airfare
- Travel and medical insurance

ICANN will not be providing you with any other support for your travel. Because you are voluntarily attending an event, you are advised to acquire appropriate travel and medical insurance coverage. This coverage is not being provided by ICANN and you are not being facilitated as an ICANN Funded Traveler (Travelers who are funded to attend events that are organized by ICANN) for CROP trips.

Read the CROP Procedures and Guidelines Before Applying

Please click [here](#) to read the CROP Procedures and Guidelines. Translations of the CROP Procedures and Guidelines are also available in [French](#) and [Spanish](#). Please click [here](#) to view the recording of the CROP webinar held on 27 July 2023.
