

Ketubah Text Options

Which ketubah text feels right for the two of you? This is an important choice to contemplate together as a couple, and also in consultation with your rabbi or officiant.

You are invited to choose one of Melanie's standard ketubah text choices or to send her your own custom text, after placing your order..

Below are Melanie's standard ketubah texts (please click to view)

All are available for same-sex couples:

- [Traditional Orthodox](#)
- [Conservative with Lieberman Clause](#)
- [Egalitarian Reform](#)
- [Egalitarian Togetherness](#)
- [Modern LGBTQ+](#)
- [Interfaith](#)
- [Anniversary](#)

You will have the opportunity to specify on the Ketubah Worksheet if you would like your ketubah text in just Hebrew/Aramaic, just English, or both Hebrew and English or if you would perhaps like to add a third language.

You are welcome to edit any one of these standard ketubah texts if you wish. This includes the same sex ketubah, Orthodox ketubah texts, as well as Conservative, Egalitarian, and Interfaith ketubah texts. Please let Melanie know by email of any adjustments that you would like to make to the ketubah text that you choose.
