What is the Sene-Gambian Scholars Program?

SGS is devoted to **increasing knowledge about Africa** in the school and community. SGS offers many learning experiences, including field trips, speakers, videos, and food! The centerpiece of the program is a three-week **exchange trip** to Senegal and The Gambia and **hosting** our partners from West Africa, which provides unforgettable, life-changing experiences.

How can I get involved in the program? When does it meet?

All ARHS students in grades 9-11 who have an interest in learning about other cultures are welcome to apply to SGS. **The program will host an informational meeting on Wednesday, October 19, during the C+ block. If you want to join SGS, attend this meeting! See Ms. Custard in Room 168 for a pass no later than October 18.** At the meeting, you will learn more about the program and the application process. We will be selecting 12 students and several alternates for the next cohort of travelers to Senegal and The Gambia in February 2024.

We look forward to seeing you on October 19!
