

Content Area: Social Studies

Grade Level: 9-11

Reporting Measure: Contextualization

Level	Description
Above & Beyond (4.0)	In addition to score 3.0 performance, the learner demonstrates in-depth inferences and applications that go beyond what is expected from the 3.0 goal. Specifically: The student will: • Use advanced unit vocabulary to describe historical events and developments • Address complex and less-obvious elements of concept meaning and significance • Make and explain comparisons between different historical contexts
3.5	In addition to score 3.0 performance, partial success at score 4.0 content
Proficient (3.0)	The student will: • Use key unit vocabulary to describe historical events and developments • Explain how social, economic and political contexts have shaped historical events and developments • Identify connections between different historical contexts
2.5	Partial success at score 3.0 content and no major errors or omissions regarding score 2.0 content
Getting There (2.0)	The student will: • Match or recall foundational course vocabulary • Recognize that social, economic and political factors shape history • Identify the time period and geographical location of historical events
1.5	Partial independent success at score 2.0 content, and major errors or omissions regarding score 3.0 content
Beginning (1.0)	<i>With help</i> , partial success with score 2.0 content and score 3.0 content
