

Some Reminders -

- Please do ***not*** use HOA common areas to dump yard waste. The Village of Lexington provides a place behind the Street Dept at 205 S. Mill Street for village residents to take things like tree debris at no charge.
- Motorized vehicles (such as trucks and dirtbikes) are also not allowed on the common area properties.
- The common area at the bottom of Dartmouth Drive hill directly abuts a semi-wooded lot that is the ***private*** property of a homeowner on Salem Road. Please do not use the homeowner's property to access that common area.

If you have questions or concerns regarding any of these issues, please contact the HOA Board at clearforkhills3hoa@gmail.com or call any Board Member. Thanks!
