

Some of the websites listed below will be used throughout the year during instruction. Login information with usernames and passwords will be given to students at a later date. These websites will be labeled with an asterisk. Other websites can be used at your convenience.

Reading Log (optional)

It is important for your child to read every day, whether they read to you or you read to them. We want to enhance their knowledge and vocabulary by exposing them to as many books as possible. The idea is for them to fall in love with reading and never want to put a book down!

If you would like to keep track of your child's reading, below are two options that will help you and your child! There is no need to send it back to school, it's completely optional to complete.

Options:

1. Digital Reading Log-Weekly
 - a. Choose from any of the Google Slide reading logs
 - b. Go to file / make a copy / entire presentation
 - c. Rename the presentation with your child's name and the date
 - d. Share the presentation with your child's teacher
2. Reading Log- Monthly
 - a. Print out each month.
 - b. Color one object for each night you read or are read to this month!
