Community Relations Subcommittee School Committee - Meeting Minutes

Masconomet Vision 2025

Student learning is highly interdisciplinary and connects students to solving real-world problems.

Students feel safe, happy, emotionally secure, and physically well. They are builders of a culture of respect and kindness.

Curriculum and instruction is learner – centered: All students are achieving the same standards in multiple ways and can demonstrate their learning through a variety of different assessments.

Instruction is personalized to the individual learning styles and unique needs and interests of ALL students.

Our students are culturally sensitive, globally aware through their study and experiential learning, and they act confidently with an understanding of their impact on the world.

A. Discussion of Committee communication strategies relating to recently approved Budget

Topics of information needing to be disseminated to respective towns

- Committee to create a summary of budget and Turf Up needs for a flyer that could be mailed to all residents in each community; we could contact each town clerk to get ideas how to best get that mailing.
- Topsfield and Middleton Finance Committees voted in favor of recommending the engineering and design phase of the Turf Project at this year's Town Meeting; Boxford still meeting, no commitment verbally to the project yet. Summary sheet of Q & A about project developed for Topsfield and Middleton seemed to answer a lot of town officials' questions; suggested it should be used for Boxford Town mtg communications.
- Questions have been raised about environmental impact of turf, sustainability impact of turf, etc., which should be answered through the engineering phase.

- Next town meetings in Boxford are 4/5/23 (FinCom) and 4/10/23 (SelectBoard). Patti & other available Boxford SC reps to attend on 4/5 with Turfs Up representative; Patti to contact rep from FinCom to ask if we can be put on the agenda for next mtg. Create a 5 bullet summary of key info and key concerns/questions might be regarding project and budget increase explanation. Coordinate with Turfs Up for picture of vision of fields and brief summary of highlights. Ask town officials what questions they have of us ahead of time. On SC blog to report on Operating budget, and review Turfs up project slideshow.
- Action Items:
 1. Patti to contact Boxford FinCom
 2. Working on creating content for flyer
 3. CR committee members to contact Post Office and Town Clerks about best way to disseminate flyers to all residents
 4. Working on graphics/visual aspect of flyer

B. Adjournment
