Orig. Code(s):	DN

The executive director will determine when any equipment, material, or other property is no longer useful for the school's current or future use.

The executive director will report to the Board any equipment, material or other property valued at \$1,001 or more and no longer useful for 'the school's current or future use. The report will include a description of whether property was purchased or acquired with federal grant funds, other grant funds or donor restricted funds.

1. Less than \$5,000, such equipment may be disposed of as provided in this policy;
2. More than \$5,000, shall not be disposed of without consulting the federal grant policy to assure proper treatment of disposal.

The Board may authorize the executive director to dispose of any equipment no longer useful for ‘the school’s current or future use. Disposal may be by donation to a 501(c)(3) organization, school, school district, government agency or other tax-exempt organization with an educational and/or charitable purpose. Disposal may also be by sale with the proceeds to be used by the school. Any disposal of property is subject to the school’s ethics policies.
