CHECKLIST BATFAMILY: An attempt to make a complete cohesive chronology

Updated: May 4th 2026

★ = Newly added in this update

POST-CRISIS (1986–2011)	NEW 52 (2011–2016)	REBIRTH / INFINITE FRONTIER (2016–)
-------------------------	--------------------	-------------------------------------

- Reading comics can be overwhelming at first, and it's hard to keep track of what is canon and what it isn't. Personally, I just assume the things I like are canon and the things I don't like aren't; unless they are mentioned on whatever run I'm reading. This system is not ideal but hey, it works.
- This list does mix a bit of New 52, Post Crisis and Rebirth. Making your own list helps you pick what you want to read and which character you'd like to follow most. (Yeah, Dick and Tim are favored on this list.) Feel free to use this list as a base for your own.
- The list is still far from perfect but it's better than nothing. I did this list for myself since but decided to share it in case someone could use it as well
- Do I have to read in this order? Absolutely not. This is a chronology and reading in this order might give you the illusion of reading something more akin to a manga (That's what I was going for) but if the artstyle is not your liking or you just wanna hop right into any run, you can use this guide just to know where is the run located in the chronology and have a general idea of what happened before whatever run you are reading.

Btw, if you have access to this google doc that means you are able to comment on it! So make suggestions on how to improve it if you have any!

I highly recommend creating a copy or downloading the list if you are gonna check mark it to track the comic you've read. Since marking on this list make it visible for anyone and you can get mixed up (Besides I clean the check boxes to keep it blank for anyone to use)

If you want to be emailed whenever the list is updated with new additions send an email to and I'll add you to the mailing list!
