

Netherlee Nursery Class
Fri 17th November - Fri 24th November 2022

Acorns

Children may engage in some of the following play experiences.

Spark: The children have been talking about road safety.

Focus: Traffic Lights

The children will be using their junk modelling skills to make traffic lights and lollipop crossing signs. They will then use these outside in role play scenarios.

Spark: The children have been noticing letters in the environment and having a go at writing them.

Focus: Making letters

The children will be mark making and forming different letters in their name using a variety of games, sand and other resources.

Spark: The children have been mark making outside.

Focus: Outdoor Mark Making

Children will continue mark making outside, using shaving foam, paints and lots of natural materials.

Spark: The children have been singing nursery rhymes

Focus: Performing Nursery Rhymes

The children will continue learning new nursery rhymes and performing songs in front of their friends. They will be listening for the patterns of rhyme in the songs.

Spark: The children have been enjoying Autumn experiences.

Focus: Sensory Playdough

The children will be exploring their sense of touch by feeling natural materials with different textures that are found during Autumn.
